Parties who desire to have a stenographic record of the proceedings must advise the Court at least seventy-two (72) hours prior to the scheduled hearing. The requesting party shall arrange for the court reporter and pay the costs of the stenographic record unless otherwise ordered by the Court. A transcript of a digital audio/electronic recording may be requested on Form 200.30. If the proceeding is closed to the public by applicable law or order, a transcript may only be requested by a party to the case. Unless waived by the Court, Objections to a Decision of Magistrate require a transcript to be prepared and filed by the objecting party prior to the scheduled hearing date. Any interested person may request a transcription of a digital audio/electronic recording to be prepared by a court reporting service approved by the Court. All costs associated with a transcript must be paid directly to the court reporting service. The court reporting service shall charge the customary fee charged by a private reporter for services in Hamilton County for such transcription or as otherwise provided for by Hamilton County Common Pleas Local Rule. Transcripts will be released upon payment of the transcription fee. Failure to timely pay the fee may result in sanctions being issued by the Court against the person who ordered the transcript.

Rule 57.2 Motions to Restrict Public Access to Information Contained Within Court Records

- A. A request to restrict public access to information contained within a court record shall be made by written motion. If the motion is filed simultaneously with the information that is the subject of the motion, then the subject information shall be restricted from public access pending the Court's ruling on the motion. If the motion is filed after the filing of the information that is the subject of the motion, then the subject information shall remain open to the public pending the Court's ruling on the motion. If a redacted copy is required, the filing party shall provide the redacted document at the time of the hearing.
- B. Any party to a judicial action or proceeding or other person who is the subject of information in a case document may, by written motion to the Court, request that the Court restrict public access to the information or, if necessary, the entire document. Additionally, the Court may restrict public access to the information in the case document or, if necessary, the entire document upon its own order. The Court shall give notice of the motion or order to all parties in the case. The Court may schedule a hearing on the motion. If a hearing is scheduled, the filing party shall complete a "Written Request for Service on Motion to Seal or Unseal Records" (HC Form 200.47) that lists the names and addresses of all persons who are to receive service of the motion. Notice shall be served via certified mail.
- C. The Court shall restrict public access to information in a case document or, if necessary, the entire document, if it finds by clear and convincing evidence that the presumption of allowing public access is outweighed by a higher interest after considering each of the following:
 - (a) Whether public policy is served by restricting public access;
 - (b) Whether any state, federal, or common law exempts the document or information from public access;
 - (c) Whether factors that support restriction of public access exist, including risk of injury to persons, individual privacy rights and interests, proprietary business information, public safety, and fairness of the adjudicatory process.
- D. When restricting public access to a case document or information in a case document pursuant to this division, the Court shall use the least restrictive means available, including but not limited to the following:
 - (a) Redacting the information rather than limiting public access to the entire document;
 - (b) Restricting remote access to either the document or the information while maintaining its direct access;
 - (c) Restricting public access to either the document or the information for a specific period of time;
 - (d) Using a generic title or description for the document or the information in a case management system or register of actions;
 - (e) Using initials or other identifier for the parties' proper names.
- E. If the Court orders the redaction of information in a case document pursuant to this division, a redacted version of the document shall be filed in the case file along with a copy of the Court's order. If the Court orders that the entire case document be restricted from public access, a copy of the Court's order shall be filed in the case file. A journal entry shall reflect the Court's order. Case documents ordered restricted from public access or information in documents ordered redacted shall not be available for public access and shall be maintained separately in the case file.

F. For purposes of public access to Court records, the Court generally manages its paper file the same as its electronic file. The Court will not restrict access to one such file-type without restricting access to the other unless required to by law, HIPAA considerations, or due to personal identifiers being present.

Rule 57.3 Motions to Obtain Access to Information Contained Within Court Records That Has Been Granted Restricted Public Access

- A. Any person, by written motion to the Court, may request access to a case document or information in a case document that has been granted restricted public access pursuant to division 57.2 of these rules. The Court shall give notice of the motion to all parties in the case and, where possible, to the non-party person who requested that public access be restricted. The Court may schedule a hearing on the motion. If a hearing is scheduled, the filing party shall complete a “Written Request for Service on Motion to Seal or Unseal Records” (HC Form 200.47) that lists the names and addresses of all persons who are to receive service of the motion. Notice shall be served via certified mail.
- B. The Court may permit public access to a case document or information in a case document if it finds by clear and convincing evidence that the presumption of allowing public access is no longer outweighed by a higher interest. When making this determination, the Court shall consider whether the original reason for the restriction of public access to the case document or information in the case document pursuant to division 57.2 of these rules no longer exists or is no longer applicable and whether any new circumstances, as set forth in that division, have arisen which would require the restriction of public access.
- C. The information that has been granted restricted public access that is the subject of the motion will remain under seal pending the Court's ruling on the motion.
- D. If the motion is granted, the Court shall release only the specific information that warrants release and shall keep the remainder under restricted public access.

In the event the Court rejects a submitted document following the Court Review, the document shall not become part of the Official Court Record and the filer will be required to re-submit the document or correct any defects to meet filing requirements. The user assumes all responsibilities, obligations and liabilities for using this method of filing. This Local Rule does not override, alter, amend, revoke or otherwise change any Local Rule, Civil Rule or other applicable rules respecting the requirements of any filings.
 3. *Vexatious Litigators.* Individuals who have been declared vexatious litigators, as defined above, will not be permitted to file documents electronically. The e-filing system will not provide an individual who has been declared a vexatious litigator with a user id and password to access the system. A vexatious litigator may only file in paper format, provided he/she has first obtained permission from the Judge to file in that case. The Court will accept the filings from the vexatious litigators in paper format, as needed.
 4. *Filings Not Accepted* – The following documents may NOT be filed electronically through the Internet:
 - (a) Any filing for which the Court is required to effectuate service of summons; or
 - (b) Estate tax returns; or

 5. *Filings Accepted.* All other pleadings or other filings not included in paragraph 4 above may be electronically filed through the Internet subject to the following provisions:
 - (a) Any document filed electronically that requires a filing fee may be rejected by the Probate Court unless the filer has complied with this rule concerning the payment of filing fees.
 - (b) Any document and/or court action that requires payment of a filing fee will be made by using a valid credit card through the Court’s E-Filing System.

- (f) Filings admitting wills to probate must include a pdf copy of executed will at the time the application to probate will is submitted for filing. If the original will is not timely received, the case will be dismissed.
- (g) Filings in Adoption cases that contain original birth certificates or certified copies of documents must include a pdf copy at the time the filings are submitted for e-filing. The Court will provisionally accept the document for filing if the legal requirements appear to have been met. The sender shall then submit the original documents to the Court via mail, express delivery or in person within five business days of the electronic filing. If the documents are not timely received, the case will be dismissed.

Note: Despite the foregoing, the Court will NOT accept certain filings through the Court's e-filing system. Users must consult the e-filing section of the Court's website to ascertain which case types and filings are permitted to be e-filed at that particular time.

- 6. *Account Assignment.* The user shall be required to fill out the on-line Registration, with a valid email address, and electronically accept the User Agreement, and deposit the required funds. Upon receipt of the required information, the Probate Court shall set up an electronic filer user account and assign a user-id and initial password to be used for electronically filing documents. The user shall be notified of the new account information via email.
- 7. *Filing Date and Time of Electronically Filed Documents* Any document submitted electronically to Probate Court will not be considered filed until accepted after the Court Review with the exceptions listed below. While electronic documents may be submitted to the Court twenty-four (24) hours a day, seven (7) days a week, Court Review is performed during Court hours. Upon receipt of submitted documents, the e-Filing System shall issue a confirmation that the documents have been received. This confirmation does not mean the documents were accepted for filing. The confirmation shall include the date and time of receipt. An e-Filer will receive subsequent notification through the e-Filing System that the documents have been accepted or rejected for filing. When accepted each document will receive an electronic stamp. This stamp will include the date and time that the filer transmitted the document to the Filing system as well as the date and time the document was accepted and filed by the Court. In the event the Court rejects a submitted document following the Court Review, the document shall not become part of the Official Court Record and the e-Filer will be required to re-submit the document or correct any defects to meet filing requirements. Time at the Court (Eastern Standard or Daylight) governs, rather than the time zone from which the filing is made.
- 8. Exceptions: Civil Actions, Complaints for Spouse to Purchase Real Estate, Creditor's Claims, Civil Matters, Answers in Civil Cases, and Will Contests are deemed filed upon receipt as indicated by the date and time generated by the Filing system and issuance of confirmation that the documents have been received.
- 9. *Document Format.* Documents submitted must conform to the following:
 - (a) All electronically filed documents, pleadings and papers shall be filed with the Court in Portable Document Format (PDF).
 - (b) Submissions shall be limited to twenty megabytes (20MB) in size per document. Larger sized documents shall be broken down into separate PDF files.

10. *Personal and Private Information in Electronically Filed Court Documents.*

- (a) Document Content. All documents e-filed with the Court shall omit personal identifiers as defined in Sup. R. 44(H). The responsibility for redacting personal identifiers rests solely upon the user. The Court will not review each document for compliance with this rule. When the personal information is omitted from a case filing, it shall only be submitted or filed separately on a form provided by the Court, upon order of the Court.
- (b) Sealed Cases and/or Sealed Documents. In accordance with Rule 45 of the Rules of Superintendence for the Courts of Ohio and Local Rule 75.1(F), a document may be filed under seal or a filing may be made on a sealed case. E-filings on sealed cases must be clearly marked on the document below the title indicating that the case is sealed. A document to be sealed may be e-filed if there is a court Order on the case docket that allows the document to be sealed. The Order and its date must be noted on the e-filing under the document title (*e.g.*, “Document filed under seal pursuant to Court Order of mm/dd/yyyy”).

11. *Fees.* Normal filing fees, case deposits, final court costs and any convenience fees will be collected via a valid user credit card at the time the filing is processed by the Court. Any document filed electronically that requires a fee may be rejected by the Court unless the filer complied with the mechanism established by the Court for the payment or waiver of filing fees.

12. *Filing Acceptance by Court.* Every new filing will receive a confirmation number at its inception. Upon successful transmission, a confirmation page will be displayed with the corresponding confirmation number and all pertinent filing information. Upon successful processing of the filing by the Court, an electronic mail message containing but not limited to the confirmation number and case number assigned, if any, will be sent to the filer. Filers will be notified via electronic mail if the filing is rejected for any reason. Case filings will only be held for 2 weeks when a request for correction is made and 5 days when a request for additional deposit is made. After that time, the items will be rejected.

13. *Electronic Filed Stamp.* Upon successful completion of acceptance processing by the Court, a document filed electronically will be electronically filed stamped. This stamp will include the date and time that the Court received the entire transmission as well as the confirmation number of the filing, except for entries. Once the document is electronically file stamped and entered on the docket, it is considered a permanent part of the case record. A document electronically filed that is not successfully processed by the Court will not receive an electronically filed stamp, but the filer will receive a rejection e-mail. (See Filing Acceptance above.)

14. *Service of E-filed Documents.* Service is not automatically perfected by using the e-filing system. The user must make service on all parties as provided in the Civil Rules of Procedure and/or Local Rules of the Court.

- (a) Civil complaints and summonses will be served by the Court in accordance with Civil R. 4 through 4.6(b).
- (b) The filer must serve all other e-filed documents in the manner provided in applicable civil or local rules. Each e-filed document transmitted to the Court that is required to be served must be accompanied by a completed certificate of service, which shall state the date and manner of service and be signed as provided in this rule.

15. *Disposition and Maintenance of Source Documents.* A document electronically filed shall be accepted as the original filing, consistent with Ohio Revised Code, Civ. R. 5(E) and the Local Rules of this Court, if the person filing electronically complies with all of the requirements set forth in this Local Rule. Except for decedent’s wills, the person filing electronically shall not file any original copy with the Probate Court but must maintain the source document in his or her records, and have available for

production on request by the Court, or other counsel, the signed source document that was electronically filed. The filer must maintain this source document until the final disposition of the case, including final disposition of all appeals.

16. *Public Method of Access to Electronically Filed Public Documents.* Members of the public can obtain copies of or review electronically filed documents in the same manner as documents filed on paper. Public access to electronically filed public documents will be available via the Internet web site of the Probate Court as soon as the Court has processed the document. If Internet web site access is unavailable, the document will be available at Court, either by computer terminal or in paper form upon request. However, if a document or case record is sealed, deemed confidential, expunged, or otherwise exempt under law from public access, it is unavailable for public disclosure.
17. *User or Technical Errors.* The Court is not responsible for any filing that is made untimely as the result of a technical failure of the Court's system, or of the user's computer hardware or software, or internet service provider (ISP).

Rule 58.1 Court Costs

- A. Deposits ordinarily shall be required upon the initial filing of any action or proceeding. The deposit may be applied as filings occur and additional deposits may be required. The Court shall maintain and make available a current list of costs.
- B. The Court accepts only the following methods of payment of court costs:
1. Cash
 2. Money Order
 3. American Express®, Discover®, Visa®, or MasterCard®
 4. Checks, as follows:
 - a. Law Firm Checks from attorneys authorized to practice law in Ohio or who are admitted pro hac vice
 - b. Fiduciary Checking Account Checks for decedent's estates, guardianships, and testamentary trusts
 - c. Certified Checks
 - d. Cashier's Checks
- C. Case Deposits
1. Deposits shall be required upon the initial filing of any action or proceeding. The deposit may be applied as filings occur and additional deposits may be required. The Court shall maintain and make available a current list of costs.
 2. All pre-paid but unearned costs of \$100.00 or less upon final disposition of the case shall automatically be refunded to the fiduciary as part of the fiduciary fee or applicant in non-estate case types. In the case of multiple fiduciaries, the case balance shall be divided equally between the fiduciaries. Prior to making the final distributions and filing the final account, the attorney should check the case balance. If the case balance is over \$100.00, those funds shall be distributed as any other estate asset.
- D. Counsel of record for the party charged with paying court costs shall be responsible for paying the same. This rule does not prohibit counsel from seeking reimbursement from their clients for such costs. In pro se proceedings, the fiduciary/applicant/party shall be responsible for paying all court costs. If counsel or a law firm is delinquent in paying court costs in a case, the Court reserves the right to require that the attorney or law firm use cash only to pay the court costs in other cases which are filed by the same counsel or law firm until the delinquent costs are paid in full.

- E. In cases where a filing incurs the payment of a filing fee, payment of the fee is due when the filing is presented. The Court will not hold the filing until payment of the fee is tendered at a later time. The filing will be returned unfiled to the filing party and all mailing costs will be assessed against the case balance. Any entry which may have been signed in connection with the filing will be retained by the Court and destroyed.

This rule does not apply if:

1. There are sufficient funds in the case deposit to pay the filing fee and the filing party is the party who paid the initial case deposit.
2. The filing is a final entry which disposes of a civil case type. In these instances, the Court will accept the entry for filing and contact the appropriate party (ies) to pay the costs as set forth in the entry.
3. The Court determines, in its discretion, that the filing should be filed in the absence of the payment of the filing fee.

Rule 58.2 Witness Fees

Upon the filing of a praecipe for subpoena of witnesses, the party shall deposit, for each witness, an amount sufficient to pay the witness fee as prescribed by R.C. §2335.06 to pay the witness fee.

Rule 59.1 Wills

- A. Before an application is filed to admit a will to probate, to appoint an estate fiduciary, or to relieve an estate from administration, the applicant or the applicant's attorney shall examine the index of wills to determine if the decedent has deposited a prior will with the Court for safekeeping. Prior wills so deposited shall be filed in the estate proceedings for record purposes only.
- B. Upon presentation of a will, a magistrate shall make the initial determination as to whether the purported will shall be admitted to probate.
- C. If a will presented to probate contains alterations, interlineations or extraneous markings, the admission of the will may be set for hearing pursuant to RC §2107.26.
- D. All persons listed on Form 1.0 whose addresses are known shall be given Notice of Probate of Will by certified mail unless such notice is waived. Notice by publication shall be required if the identity and/or address of any next of kin and/or beneficiary is unknown, unless the Court otherwise orders.
- E. Certificates of Service of Notice of Will (Form 2.4) shall not be filed without first being approved. Such approval may be obtained from any magistrate or from the magistrate's assistant.
- F. Where the will names a living trust as a beneficiary, a copy of the trust shall be displayed to one of the magistrates, but the trust agreement need not be filed with the Court. Except for good cause shown, this requirement must be met before the inventory or entry relieving the estate from administration is filed with the Court.

Rule 60.1 Application for Authority to Administer Estate and Notice of Appointment

- A. Any person filing an Application for Authority to Administer Estate shall give notice to the decedent's surviving spouse and to all next of kin unless such notice is waived. This requirement shall not apply to applicants who are named in the decedent's will.
1. The notice shall contain the date, time and place of the hearing, and it shall be served in accordance with Civil Rule 73 at least seven (7) days prior to the date set for hearing.
 2. For good cause shown, the Court may permit notice to be served by ordinary mail. Evidence of such notice shall be documented by the filing of an "Affidavit of Service."
 3. All Applications shall be set for hearing before the assigned magistrate unless all waivers of notice have been obtained.
 4. Where the Application is for the appointment of a Special Administrator pursuant to RC §2113.15, the Court in its discretion may waive or modify the notice requirements. Furthermore, the Court in its discretion may set or waive a bond, it may limit the Special Administrator's powers, and it may require the filing of expedited status report(s).
- B. Before filing an Application for Authority to Administer Estate, the attorney or the proposed fiduciary shall determine if there is a will of the decedent on deposit with the Court by checking the index of wills. Prior wills so deposited shall be filed in the estate proceedings for record purposes only.
- C. Upon the filing of an Application for Authority to Administer Estate, the applicant shall display a copy of the decedent's death certificate or other evidence of death acceptable to the Court. This requirement may be waived by the Court for good cause shown.

1. All probate assets shall be included in the Inventory, but assets whose value are readily ascertainable need not be appraised.

2. With regard to real estate, the fiduciary may use the property's fair market value as determined by the County Auditor for real estate tax purposes in lieu of a formal appraisal. The County Auditor's value shall be documented by written evidence which shall be attached to the Inventory.
 3. With regard to household goods and other tangible personal property, no formal appraisal shall be required unless the estimated value exceeds \$5,000.00. Where the fiduciary chooses to dispose of tangible personal property by public auction, the gross proceeds from the auction may be used in lieu of a formal appraisal.
 4. With regard to motor vehicles, the fiduciary may use values obtained from any nationally recognized valuation guide.
- B. Notwithstanding the foregoing, the Court may order a formal appraisal of any asset for good cause shown. Such an order may be issued upon the Court's own motion or at the request of any interested party.
- C. Appraisals shall be made by licensed real estate brokers, licensed real estate appraisers, licensed auctioneers, credentialed personal property appraisers, or such other persons who by experience and training are qualified to make such appraisals. Furthermore, such appraisals shall be in writing and shall include the appraiser's signature.
- D. The following persons shall be disqualified from being such an appraiser:

Notice may be served by ordinary mail or by personally delivering a copy of the notice to the person entitled to receive it. Evidence of notice shall be documented by the filing of an "Affidavit of Service" which sets forth the manner of service.
- C. In addition to notice, the executor or administrator shall send a copy of the Inventory and Appraisal to the decedent's next of kin and all beneficiaries of the estate listed on Form 1.0 and their attorneys of record. This requirement may be modified or waived by the Court for good cause shown.

- D. Where the name or address of an interested party is unknown, and where a prior notice by publication for that person or class of persons has not already been made in the estate proceedings, the fiduciary shall publish notice of the hearing once each week for three consecutive weeks.
- E. Upon discovering one or more new probate assets, the fiduciary or his attorney shall file a Report of Newly Discovered Assets. Unless otherwise ordered by the Court, Reports of Newly Discovered Assets shall not be set for hearing, and notice to interested parties shall not be required. Real estate and tangible personal property that are included in a Report of Newly Discovered Assets shall be valued pursuant to Local Rule 61.1.
- F. Upon discovering that the Inventory contains any other error which can not be corrected by filing a Report of Newly Discovered Assets, the fiduciary shall file an Amended Inventory. At the discretion of the assigned magistrate, the Amended Inventory may be approved upon filing, or may be set for hearing. If set for hearing, notice shall be given to all interested parties unless waived.

- C. The comment or complaint will be filed in the guardianship case and will be reviewed and considered by the assigned magistrate for appropriate action. The Court may, in its discretion, set a hearing on the matter. Notice of the hearing shall be served to both the guardian and person who filed the comment or complaint.

Rule 68.1 Settlement of Claims For Injuries to Minors

- A. An application for settlement of a minor's claim that exceeds twenty-five thousand dollars (\$25,000) shall be brought by the guardian of the estate. If the net amount of the claim for injuries does not exceed twenty-five thousand dollars (\$25,000), the application shall be brought by the parent(s) of the child or

- the person having custody of the child. Attorney fees for completing probate work in having a minor settlement approved shall be paid from the contingent fee, unless the fee is paid for by a third party.

 - 5. A qualified insurer issuing an annuity contract pursuant to a qualified funding plan under these rules may not enter into an assumption reinsurance agreement for the annuity contract without the prior approval of the Court, the owner of the annuity contract and the claimant having the beneficial

interest in the annuity contract. The Court will not approve assumption reinsurance unless the reinsurer is also qualified under these rules.

6. The annuity insurance carrier and the broker procuring the policy shall each furnish the Court with an affidavit certifying that the carrier meets the criteria set forth in subsection (3) above as of the date of the settlement and that the qualification is not likely to change in the immediate future. The broker's affidavit shall state that the determination was made with due diligence based on rating information which was available or should have been available to an insurance broker in the structured settlement trade.
7. If the parties desire to place the annuity with a licensed insurer in Ohio that does not meet the above criteria, the Court may consider approving the same, but only if the annuity obligation is bonded by an independent insurance or bonding company, licensed in Ohio, in the full amount of the annuity obligation.

C. The application shall include a statement of the actual cost to the defendant of the settlement. The actual cost shall be used to fix and determine attorney's contingent fees.

Rule 68.3 Sale of Structured Settlement Payments

- A. All applications for approval of sale of structured settlement payments shall be filed and set for hearing.
- B. The application should include a statement of the income, living expenses, and other financial obligations of the person desiring to sell the structured settlement payments as well as a detailed statement as to how the sale proceeds will be applied and/or utilized by the applicant. Rule 70.1 Settlement of Claims for Wrongful Death

All interested parties to the distribution of the net proceeds of the settlement shall be listed by name, residence, and relationship to the decedent on the proposed entry approving settlement or distributing wrongful death proceeds.

- C. A guardian ad litem may be appointed to represent the interests of any minor or incompetent persons who are potentially "interested parties."

- E. The applicant is required to appear at the hearing regarding an application to approve a wrongful death settlement or proposed distribution. An applicant shall have 30 days following approval in which to file the report of distribution unless otherwise ordered by the Court.
- F. A magistrate shall approve the report of distribution of the wrongful death proceeds only after appropriate vouchers are presented.

- G. Attorney fees for completing probate work in having a wrongful death settlement approved shall be paid from the contingent fee.

Rule 71.1 Attorney Fees in Decedent's Estates

- A. Attorney fees are governed by the Rules of Professional Conduct and the Rules of Superintendence adopted by the Supreme Court of Ohio. The Court has the ultimate responsibility and authority to review attorney fees in decedent's estates as required by such rules.
- B. Counsel shall enter into a dated written fee agreement with the fiduciary prior to or upon the filing of the Inventory with the Court. The fee agreement shall contain an estimate of the total fee for the administration of the decedent's probate estate. A copy of the fee agreement shall be provided to any residuary beneficiary of the probate estate upon request. If the attorney for the estate is also the fiduciary or if the fiduciary is an attorney associated with the attorney for the estate, a copy of the fee agreement shall be provided to all residual beneficiaries of the probate estate upon its execution. Counsel shall file with the Court a Certificate of Fee Agreement on HC Form 210.09 prior to or upon the filing of the Inventory with the Court.
- C. Attorney Fees for the administration of a decedent's probate estate ordinarily shall be paid at the time the fiduciary's final account or certificate of termination is prepared for filing with the Court, and such fees shall not be paid prior to two weeks before the filing of the fiduciary's final account or certificate of termination.
- D. The Court may, upon application and for good cause shown, approve an Application for Partial Payment of Attorney Fees without a hearing prior to the time the fiduciary's final account is filed with the Court. The grounds for approving partial payment of attorney fees may include, for example, that the payment of attorney fees provides an income tax benefit to the estate, that the estate is involved in protracted litigation, or that the administration of the estate is extended beyond twelve months from the date the fiduciary is appointed because of circumstances beyond the fiduciary's and the attorney's control. In all such cases, the application must state the total amount of the attorney fees and any anticipated extraordinary fees estimated to be requested for the complete administration of the decedent's probate estate. Ordinarily, partial attorney fee requests should not exceed 50% of the total amount of the attorney fees estimated to be requested for the complete administration of the decedent's probate estate.
- E. When multiple attorneys have been retained by the fiduciary or fiduciaries for the probate estate, or when it is anticipated that attorney fees will be paid to more than one attorney or law firm, all fee requests shall be considered by the Court simultaneously.
- F. A written fee application shall not be required and the fiduciary may pay such fees to counsel if counsel's fee is within the guideline set forth in paragraph J below, the amount is under \$20,000, and the fiduciary, all residuary beneficiaries of the probate estate and all other parties affected by the payment of said fees have consented in writing to the payment of the attorney fees on HC Form 201.05 and filed with the Court. If counsel's fee exceeds \$20,000 and the other terms outlined above have been met, the magistrate assigned to the case shall be provided with the attorney's time records and the magistrate shall review and approve counsel's fee prior to payment. Notwithstanding the foregoing, the Court may require an application for attorney fees be filed with the Court for review and approval.
- G. If counsel requests a fee that is within the guideline set forth in paragraph J below but all of the residuary beneficiaries of the probate estate and all other parties affected by the payment of said fees have not consented in writing to the payment of such fee, a written application signed by the fiduciary

or attorney and supported by the attorney's time records shall be filed with the Court. It is within the discretion of the magistrate assigned to the case whether such application will be formally set for hearing. If a hearing is set, notice of the hearing shall be given to all residuary beneficiaries of the probate estate and all other parties affected by the payment of said fees on HC Form 210.07. A Waiver of Notice of Hearing and Consent to Payment of Attorney Fees on HC Form 210.05 may be filed.

- H. If counsel requests a fee that is not within the guideline set forth in paragraph J below, a written application signed by the fiduciary or attorney and supported by the attorney's time records for all services, including time for services both within and outside of the guideline, shall be filed with the Court. If all of the residuary beneficiaries of the probate estate and all other parties affected by the payment of said fees have consented in writing to the payment of such fee, the magistrate assigned to the case has the discretion to approve the application. If all of the residuary beneficiaries of the probate estate and all other parties affected by the payment of said fees have not consented in writing to the payment of such fee, the application shall be set for a hearing before the Judge. Notice of the hearing shall be sent to all residuary beneficiaries of the probate estate and all other parties affected by the payment of said fees on HC Form 210.07. A Waiver of Notice of Hearing and Consent to Payment of Attorney Fees on HC Form 210.06 may be filed.
- I. No application for fees or consents from the residuary beneficiaries of the probate estate or all other parties affected by the payment of said fees are required where counsel's fee is \$2,000 or less.
- J. Attorney fees for the administration of a decedent's probate estate as set forth below may serve as a guide in determining fees to be charged to the probate estate for legal services of an ordinary nature rendered as attorney for the fiduciary in the administration of a decedent's probate estate. The Court does not have, nor is there recognized, any minimum or maximum fees that will automatically be approved by the Court. Misrepresentation of this guideline may result in sanctions, including the disapproval of or partial or total disgorging of attorney fees. Attorney fees calculated under this guideline shall be rebuttably presumed to be reasonable.
1. On all property subject to administration (Inventory value in addition to ordinary income) and for which the fiduciary is charged as follows:
 - a. For the first \$50,000 at a rate of 5.5%;
 - b. All above \$50,000 and not exceeding \$100,000 at the rate of 4.5%;
 - c. All above \$100,000 and not exceeding \$400,000 at the rate of 3.5%;
 - d. All above \$400,000 at the rate of 2.0%.
 2. For real estate sold by judicial proceedings, the attorney fees shall be calculated in accordance with Local Rule 65.1 and may be in addition to the amount calculated under paragraph J(1) above, if approved by the magistrate assigned to the case.
 3. All other property includable on a federal or an Ohio estate tax return or that passes outside of probate as a result of the decedent's death, at the rate of 1% of all such property, except for joint and survivorship property that passes to a surviving spouse which shall be compensated at the rate of ½ of 1%.
 4. A copy of the recapitulation page from the estate tax return, if applicable, shall be filed with the Court under seal. In cases where no estate tax return is filed, a list of the non-probate assets and their values shall be filed with the Court under seal.

- K. If a hearing is held on an attorney fee application, a party in interest may not later object to the payment of that fee upon the filing of the Final Account. If a hearing is not held, a party in interest may object to the payment of that fee upon the filing of the Final Account.
- L. Where the fiduciary is also the attorney for the estate, or if the attorney for the estate is associated with the fiduciary's law firm, reasonable attorney fees shall be rebuttably presumed to be one-half of the guideline amount as set forth in paragraph J above. This paragraph shall not apply if the fiduciary fee is waived.
- M. Attorney fees for services rendered in an estate relieved from administration shall be disclosed as a liability of the estate.
- N. Except for good cause shown, attorney fees shall not be allowed to attorneys representing fiduciaries who are delinquent in filing the accounts required by ORC Section §2109.30, *et seq.*
- O. In cases involving both probate and non-probate assets, an attorney must follow the procedures set forth in this rule to approve the amount of fees charged for work done handling the administration of the probate assets. If the attorney desires to waive fees for such work, a written waiver of such fees shall be filed with the Court and as such, shall not be collected from any other source.
- P. Unless otherwise authorized by the Court, attorney fees should not be awarded for that portion of any time spent traveling to and from the Court that would not have been incurred but for the fact that the attorney has an office located outside Hamilton County or counties contiguous thereto.

Rule 71.2 Contingent Fees

If the contingent fee agreement does not exceed 33-1/3% of the recovery, or 40% if an appeal is taken, no application for approval of the agreement need be filed and ratification of the contingent fee agreement may be done at the time of settlement. Should a proposed fee agreement exceed these amounts, prior to entering into any such contingent fee agreement, a fiduciary shall file an application with the Court for authority to enter into such fee agreement. A copy of the proposed fee agreement shall be attached to the application. All contingent fees are subject to review and approval by the Court at the time of settlement, notwithstanding the fact that the court previously approved a fiduciary's application for authority to enter into a contingent fee agreement.

Rule 72.1 Executor's and Administrator's Commissions

- A. Unless otherwise authorized by the Court, extraordinary fiduciary commissions should not be awarded for travel expenses that would not have been incurred but for the fact that the fiduciary resides outside of Hamilton County or counties contiguous thereto.

The Court will consider reasonable extraordinary fiduciary commissions upon the filing of an application supported by a list of the extraordinary services provided by the fiduciary. The list should include all hours spent doing all work (ordinary and extraordinary) and the dates the work was performed.

- B. In cases where extraordinary executor or administrator's fees are requested involving multiple fiduciaries and separate fee applications will be filed by more than one fiduciary, all fee requests shall be considered by the Court simultaneously.
- C. Unless otherwise authorized by the Court, the payment of a fiduciary commission shall not be made before two weeks of the filing of the final account or certificate of termination in the estate.

Rule 73.1 Guardian's Compensation

- A. Compensation for services as guardian of person and estate shall be allowed not more frequently than annually, upon application and entry, and shall be supported by calculations and documentation. The following methods for considering the reasonableness of guardian's compensation apply:
1. Guardian guideline fee:
 - a. 3% of the total income; and 3% of the total expenditures where total expenditures are less than \$200,000, and 2% of the total expenditures that are equal to or greater than \$200,000.
 - b. An annual fee of \$2.00 per \$1,000 of the fair market value of the principal.
 - c. Compensation computed on income will not be allowed on balances carried forward from one accounting period to another; nor will an investment of funds of the final distribution of unexpended balances to a ward at the close of a guardianship be considered as expenditures.
 - d. In calculating the guardian guideline fee, only the actual value of estate assets shall be reflected. Compensation is allowed for "expenditures" only to the extent that outlays have depleted assets against which compensation is to be calculated. If the guardian wishes to get credit for expenditures made at closing, then in calculating principal, the guardian must deduct the amount of those expenditures from the sale price of the assets. The same rule applies with respect to payment of tax liens or mortgages made prior to closing.
 2. Hourly rate:

With respect to non-indigent guardianships, an hourly rate of \$20.00 is generally appropriate for guardians. With respect to indigent guardianships, an hourly rate of \$10.00 is generally appropriate for guardians. Under certain circumstances, a higher hourly rate may be specifically approved by the Court.
 3. Minimum for guardian of estate:

A guardian of an estate shall be permitted a minimum fee of \$500.
- B. For purposes of computing a guardian's compensation as herein provided, for the first accounting period, the fair market value of the principal shall be based on the value contained in the inventory. For each subsequent accounting period, the fair market value of the principal shall be based on the value of the assets remaining as stated on Form 15.8. The annual principal valuation shall be adjusted from time to time to reflect additions to and withdrawals from the principal of the estate, and the compensation for the remaining portion of the annual period shall be similarly adjusted to reflect such revised valuation.
- C. Additional compensation, reimbursement for expenses incurred by a guardian, as well as, for compensation of a guardian of the person only may be fixed by the Court upon application. No application for extraordinary guardian's compensation shall be considered unless supported by complete time records during the period covered by the fee application. The Court may require that any application for compensation be set for hearing and that notice of the hearing be given to interested parties as ordered by the Court.
- D. All applications for guardian compensation shall contain a good faith estimate of the number of hours expended by the guardian during the period covered by the fee application.
- E. The compensation of co-guardians, including when separate parties are appointed as guardian of person and guardian of the estate shall not exceed the compensation that would be allowed to one guardian. In the event that the co-guardians cannot agree on the division of the compensation, the Court shall determine an equitable allocation of any guardian compensation awarded.

- F. In cases where multiple guardians are involved and separate fee applications will be filed, all fee requests shall be considered by the Court simultaneously.
- G. Compensation for services as guardian of an indigent ward may be paid from the Indigent Guardianship Fund in accordance with the Court's then standing procedural order. In no case shall guardian's compensation be paid from the Indigent Guardianship Fund where the guardian is related by blood or marriage to the ward or where the guardian or his/her employer receives compensation from third parties for guardian services.
- H. Except for good cause shown, neither compensation for a guardian, nor fees to the attorney representing such guardian, will be allowed while such guardian is delinquent in filing an inventory, account, or Guardian's Report. The Court may deny or reduce compensation if there is such a delinquency or failure to faithfully discharge the duties of fiduciary.
- I. Unless otherwise authorized by the Court, extraordinary guardian fees should not be awarded for travel that would not have been incurred but for the fact the guardian resides outside Hamilton County or counties contiguous thereto.

Rule 74.1 Trustee Compensation

- A. Where the instrument creating the trust makes **no** provision for compensation, the annual compensation charged by a Trustee appointed by this Court for ordinary services performed in connection with the administration of each separate trust estate shall not exceed the following:
 - 1. An amount to be computed on the fair market value of the principal of the trust property in accordance with the following schedule.
 - a. \$14.00 per \$1,000.00 on the first \$1,000,000.00
 - b. \$11.00 per \$1,000.00 on the next \$2,000,000.00
 - c. \$9.00 per \$1,000.00 on the next \$2,000,000.00
 - d. \$7.00 per \$1,000.00 on the balance.
 - 2. The Trustee may charge a minimum compensation of \$2,500.00.
 - 3. Such compensation shall be charged one-half to income and one-half to principal, unless otherwise provided in the instrument creating the trust or applicable law.
 - 4. Without prior court approval, the Trustee shall not be paid compensation during the accounting period that exceeds the amount calculated under the above guideline. An application for additional Trustee compensation must be filed pursuant to paragraph D. no later than the time the Trustee's Account is filed with the Court. The Trustee's Account will not be approved until the Court issues its Order on the application for additional Trustee compensation. Any adjustment to the compensation of the Trustee that is ordered shall be reflected on the next Trustee's Account that is filed with the Court.
- B. For purposes of computing the Trustee compensation as herein provided, the fair market value of the principal shall be determined by reference to the H.C. Form 24.82 (Assets Remaining in the Trustee's Hands) for the applicable accounting period unless otherwise ordered by the Court.

- C. At the option of a corporate Trustee, compensation valuations may be made and paid on a monthly or quarterly basis.
- D. Where the instrument creating the trust makes no provision for compensation, compensation in excess of the amount calculated pursuant to paragraph A(1) above for extraordinary services may be allowed upon application. No application for extraordinary Trustee compensation shall be considered unless supported by complete time records during the period covered by the compensation application unless otherwise allowed by the Court for good cause shown. The Court may require that the application be set for hearing and notice thereof be given to all the beneficiaries as defined in the Ohio Trust Code Section 5801.01(C), as may be amended, in accordance with Civil Rule 73(E). The notice shall contain a statement of amount of the compensation sought and a completed Worksheet B. (Appendix of Compensation Worksheets—Worksheet B) The Trustee may obtain consent for compensation from all the beneficiaries as defined in the Ohio Trust Code Section 5801.01(C), as may be amended, and file form H.C. 210.04 (Consent to Payment of Trustee Compensation).
- E. The compensation of co-Trustees in the aggregate shall not exceed the compensation that would have been payable if only one Trustee had been acting, except where the instrument under which the co-Trustees are acting provides otherwise.
- F. In cases where multiple Trustees are involved and separate compensation applications will be filed by more than one Trustee, all compensation requests shall be considered by the Court simultaneously.
- G. A separate schedule of the computation of Trustee's compensation shall be shown in the Trustee's Account as a condition of its approval. (Appendix of Compensation Worksheets - Worksheet B).
- H. Except for good cause shown, neither compensation of a Trustee nor attorney fees for representing the Trustee will be allowed while the Trustee is delinquent in filing an account required by RC §2109.303.
- I. Every corporate Trustee shall provide the Court with a copy of its compensation schedule by the 1st day of January each year. Corporate Trustee shall also immediately provide the court with a copy of any revisions made during the year.
- J. In all instances, the Court retains the right to review the reasonableness of Trustee compensation.
- K. Unless otherwise authorized by the Court, extraordinary Trustee compensation should not be awarded for travel that would not have been incurred but for the fact the Trustee resides outside Hamilton County or counties contiguous thereto.

Rule 74.2 Attorney Fees for Trust Administration

- A. An application for the allowance of attorney fees for trust administration shall have attached thereto an itemized statement of the services performed, the date services were performed, the time spent in rendering the services and the rate charged per hour.
- B. In all matters where the application for payment of attorney fees is in excess of \$2,000, but less than \$50,000, the application shall be presented to the assigned magistrate. All applications for fees in excess of \$50,000 shall be set for hearing before the Judge unless otherwise ordered by the Court.
- C. When multiple attorneys have been retained by the trustee or trustees, or when it is anticipated that attorney fees will be paid to more than one attorney or law firm, all fee requests shall be considered by the Court simultaneously.

1. When an affidavit of mental illness has been accepted and an order of detention issued, the Court may appoint an attorney to represent the respondent. The Court may also appoint a psychiatrist to act as an independent physician who may testify as to the respondent's psychiatric condition if called upon to do so.
2. While the patient/respondent is being held pursuant to the order of detention, a "voluntary" commitment shall not be accepted, unless the record or entry has been signed and approved by the treating physician and the Mental Health Board.

Any party introducing exhibits, whether admitted into evidence or not, must complete a List of Exhibits (H.C. Form 230.03) in duplicate. After the time for an appeal has expired and all costs have been paid, a party may petition the Court for the return of an original exhibit. Alternatively, the Court may destroy such exhibits pursuant to Sup.R. 26(F).

E. Marriage Licenses

1. All applicants for a marriage license must review the Certified Abstract of Marriage for accuracy before they sign the abstract. In the event errors are discovered on the abstract and/or marriage certificate after issuance, an Application to Correct Marriage Certificate and/or Certified Abstract of Marriage must be filed with the court. The application may be filed by the applicant(s) or some other party in interest and must be accompanied by supporting affidavits. The Court may set the application for hearing or consider it without hearing. If the court finds the application to be well taken, the court will issue its judgment entry correcting the marriage certificate and/or certified abstract of marriage.
2. In the event an officiant fails to timely return a certificate of marriage to the court, one or both of the applicants for the marriage license must file an Application to Issue Certificate of Marriage which shall be set for hearing. If both applicants for the marriage license do not join in the Application to Issue a Certificate of Marriage, the second applicant must be notified of the hearing or an explanation must be given satisfactory to the court why that individual cannot be notified. The applicant(s) bear the burden of proving to the court, by a preponderance of the evidence, that the wedding was timely solemnized by a duly authorized person pursuant to Ohio law. The court will journalize an entry finding that the subject marriage has been duly solemnized if it is satisfied that applicant(s) have met their burden of proof.

R. 44, from the document. The last four digits of social security numbers and the last three digits of financial account numbers may be included.
3. Redacted or omitted personal identifiers shall be provided to the Court or Clerk only as required by law, or upon request by the Court, or to a party by motion. Redacted or omitted personal identifiers shall be filed on a separate form under seal. HC Form 270 shall be used for this purpose.
4. The responsibility for omitting personal identifiers from a case document submitted to the Court or filed with the Clerk of Court shall rest solely with the party. The Court or Clerk is not required to review the case document to confirm that the party has omitted personal identifiers.
