

# INSTRUCTIONS FOR FILING AN AGENCY ADOPTION

These instructions are intended as a guideline only and should not be relied upon as a comprehensive list when filing an agency adoption.

These instructions should be considered to be the norm for the typical agency adoption. Please note that different fact patterns may dictate a change from the aforementioned procedure. Should the facts of your agency adoption be different from those of an “ordinary” adoption please contact a magistrate to determine if any other pleadings are required.

An agency adoption occurs when a minor is held in the custody of a public or private adoption agency and is subsequently placed for adoption by said agency.

Custody of the minor can occur when the parent of the minor child has executed a surrender of custody to the agency or the agency has obtained a permanent commitment order from a juvenile court, which terminated the parental rights.

The child must be in the petitioner’s home for 6 months before adoption may be finalized. The determination of the 6-month period will be dependant upon the date of the surrender and/or the date of the permanent commitment order.

A fee is required at the time of filing (if more than one child and if the child has same biological mother and father, additional fees apply). Current Court Costs are posted at: <https://www.probatect.org/about/general-resources>. Please confirm the amount with the Cashier since filing fees may have changed subsequent to the publication of this instruction sheet. **This fee must be paid in cash, money order, certified check, MasterCard, Discover, or American Express. No personal checks will be accepted.**

The forms may be obtained from the Issue Desk on the 9<sup>th</sup> floor of the Probate Court, 230 E. 9<sup>th</sup> Street, Cincinnati, Ohio or by downloading the forms from this web site.

All adoption proceedings are confidential. Information is not available to the public without Court order.
